Tuition Schedule 2023-2024

Tuition can be paid in several ways. The first payment of \$500 is due when the Enrollment Agreement is signed in order to confirm enrollment and is not refundable. The remaining balance can be paid in a lump sum, 2 payments, or monthly. If you choose to make monthly payments there is a \$200 surcharge added before the monthly payment amount is determined. Invoices will be sent electronically and can be paid by mail or online from your bank account with no charge. If you use a credit card to pay there you will be charged whatever processing fee is charged (typically 3%).
